Special Needs

If you or other members of your household would require special assistance in the event of an emergency evacuation, please complete and return this form so arrangements can be made. Please indicate whether you might need special notification or assistance with transportation if you were asked to evacuate your home. This information will be kept confidential and will be forwarded to local emergency service agencies in your area. It is recommended that you fill out a new form every year.

The Hearing Impaired

The hearing impaired can receive emergency information on the Telephone Device for the Deaf (TDD). Woodbury County residents should call either (712) 279-6958 or 911.

The Emergency Action Plan and emergency information for the Sioux City and Woodbury County area can also be located at:
www.sioux-city.org and www.bereadyiowa.org.

Emergency Alert System

The Emergency Alert System (EAS) is a group of radio and television stations that broadcast official information during an emergency. If the emergency sirens sound, tune your radio to 620 (AM).
