

Notice of Interest for Hazard Mitigation Grant Funding - Planning

The following information is requested in accordance with the public Notice of Funds Availability published by the Iowa Homeland Security and Emergency Management Division (HSEMD). This NOI is for mitigation **planning** only. This NOI form must be completed and emailed to hsemd.mitigation@iowa.gov in the format provided in order to be considered for an invitation to complete a full grant application. The outcome of a mitigation planning grant award must be a FEMA-approved hazard mitigation plan that complies with the requirements of 44 CFR Part 201. The planning grant deliverable must be a new hazard mitigation plan or an update of an already FEMA-approved hazard mitigation plan.
