Administrator Hill to Hold Conference Call Today to Share Updated Flood Info

DES MOINES – Gen. Derek Hill, head of Homeland Security and Emergency Management, will hold a media conference call today at 3:30 p.m. to share updated Missouri River flooding information, including efforts underway to repair a minor breach in a levee south of Hamburg, as well as precautions being taken in every county as flood waters continue to rise.

Conference call details are as follows:

Sunday, June 5, 2011

3:30 p.m. Central

Call-in #: 800-645-2989

Conference Call Pin #: 003257
