Missouri River Flooding – State Joint Information Center Update

DES MOINES – On June 18, Governor Branstad requested from President Obama a Major Disaster Declaration for Public Assistance for six Iowa counties. The six counties in the request are Fremont, Harrison, Mills, Monona, Pottawattamie, and Woodbury.

The Governor made the request in response to the ongoing flooding along the Missouri River in Iowa. Local and state agencies have been actively preparing for and responding to flooding conditions along the Missouri River since May 25, 2011.

A Presidential Major Disaster Declaration for Public Assistance puts into motion long-term federal recovery programs, some of which are matched by state programs, and designed to help public entities and select non-profits. Public Assistance funds may be used for emergency work and the repair or replacement of disaster-damaged facilities and may include debris removal, emergency protective measures, repair of damaged public property, loans needed by communities for essential government functions and grants for public schools.

Gov. Branstad is also asking for Direct Federal Assistance, to include sheltering, temporary housing and swift-water rescue teams if the need arises.

State Response Summary

- **HSEMD**
 - The Iowa Homeland Security and Emergency Management Division (HSEMD) continues to work closely with personnel from various state, federal and private agencies in response to flooding along the Missouri River in Western Iowa. The State Emergency Operations Center will be staffed as warranted to provide response to declared counties.
 - HSEMD coordinated the swap out of the state's Incident Management Team in Council Bluffs over the weekend.

- **Iowa Finance Authority (IFA)**
 - IFA has developed a rental housing resource guide for individuals who are seeking long term housing due to flooding. Access the guide at www.iowahomelandsecurity.org/disasters/disaster2011.html and select "Housing Resources."

 - **NEW:** Americorps is assisting the Disaster Behavioral Health Response Teams (DBHRT) in Council Bluffs where they are distributing evacuation plans and other information. The teams visited approximately 5,000 homes this past weekend. These teams are also active in other areas of the state.
 - Late last week, it was noted that approximately 50 percent of the homes visited by the crisis counseling teams were unaware there was flooding, or potential for flooding, in their neighborhood. Citizens in impacted areas are being asked to reach out to their neighbors, friends and family to make sure they know of this potentially dangerous situation and to urge them to stay aware through local media outlets.

- **Iowa National Guard**
 - The Iowa National Guard is providing levee patrol support in Mills and Pottawattamie counties.

- **DOT**
 - **NEW:** Motorists are urged to take extra precautions when traveling in areas where flooding is occurring or predicted, including using additional caution when

traveling at night, devote full attention to driving and keep your focus on the road and not the water around you.

- The Iowa Department of Transportation has made numerous road closures. For complete information on road closures, visit www.iowadot.gov/floods/index.html or www.511ia.org, or call 5-1-1 or 1-800-288-1047.

- **If you want to help, cash is best.** It doesn't need to be sorted, stored or distributed, and cash allows the receiving voluntary agency to direct the donation to the most urgent needs. To donate cash, visit www.aidmatrixnetwork.org/CashDonations/Default2.aspx?ST=Iowa
