Presidential Disaster Declaration Request

Status: Request has been processed by the FEMA Region VII office in Kansas City and sent to FEMA Headquarters in Washington, D.C.

On June 18, Governor Branstad requested from President Obama a Major Disaster Declaration for Public Assistance for six Iowa counties. The six counties in the request are Fremont, Harrison, Mills, Monona, Pottawattamie, and Woodbury.

The Governor made the request in response to the ongoing flooding along the Missouri River in Iowa. Local and state agencies have been actively preparing for and responding to flooding conditions along the Missouri River since May 25, 2011.

A Presidential Major Disaster Declaration for Public Assistance puts into motion long-term federal recovery programs, some of which are matched by state programs, and designed to help public entities and select non-profits. Public Assistance funds may be used for emergency work and the repair or replacement of disaster-damaged facilities and may include debris removal, emergency protective measures, repair of damaged public property, loans needed by communities for essential government functions and grants for public schools.

Gov. Branstad is also asking for Direct Federal Assistance, to include sheltering, temporary housing and swift-water rescue teams if the need arises.

Scams

Iowans along the Missouri River should be aware of the potential for disaster-related scams and price gouging. For information, visit the Iowa Attorney General's website at: www.IowaAttorneyGeneral.gov. Questions or complaints may be directed to the Attorney

General's consumer Protection Division, 888-777-4590 (toll-free outside of the Des Moines area) or 515-281-5926.

Special Needs Assistance

Residents in potential flood areas who have special needs should contact local officials to request assistance and information. Residents in impacted areas are urged to look out for their neighbors with special needs and to help them get in touch with local officials.

- **If you want to help, cash is best.** It doesn't need to be sorted, stored or distributed, and cash allows the receiving voluntary agency to direct the donation to the most urgent needs. To donate cash, visit www.aidmatrixnetwork.org/CashDonations/Default2.aspx?ST=Iowa
