Disaster Assistance Available for Small Businesses

Small, non-farm businesses in 14 Iowa counties are now eligible to apply for low interest disaster loans from the U. S. Small Business Administration (SBA). Eligible primary counties are Fremont, Harrison, Mills, Monona, Pottawattamie and Woodbury; eligible neighboring counties are Cass, Cherokee, Crawford, Ida, Montgomery, Page, Plymouth and Shelby.

SBA eligibility covers both the flood-related economic impacts on businesses dependent on farmers and ranchers businesses directly impacted by the disaster. Non-farm businesses, agricultural cooperatives, small businesses engaged in aquaculture and most private, non-profit organizations may qualify for Economic Injury Disaster Loans (EIDLs). Businesses primarily engaged in farming or ranching are not eligible for SBA disaster assistance. These enterprises should contact the Farm

Services Agency (FSA) about the U. S. Department of Agriculture (USDA) assistance made available by the Secretary's declaration.

The deadline to apply for these loans is March 8, 2012. Applicants may apply online via SBA's secure website at <https://disasterloan.sba.gov/ela>. Disaster loan information and application forms are also available from SBA's Customer Service Center by calling SBA toll-free at 800-659-2955, e-mailing disastercustomerservice@sba.gov, or visiting SBA's Web site at www.sba.gov/services/disasterassistance.
