Governor Branstad issues disaster proclamation for four counties

DES MOINES – Governor Terry E. Branstad today issued a proclamation of disaster emergency for Davis, Humboldt, Monroe and Wright counties in response to recent severe weather.

The governor's proclamation allows state resources to be utilized to respond to and recover from the effects of severe storms that significantly impacted the counties on June 22, 2015. In addition, the proclamation activates the Iowa Individual Assistance Program for the four counties.

The [Iowa Individual Assistance Program](#) provides grants of up to \$5,000 for households with incomes up to 200 percent of the federal poverty level, or a maximum annual income of \$40,180, for a family of three. Grants are available for home or car repairs, replacement of clothing or food, and for the expense of temporary housing. Original receipts are required for those seeking reimbursement for actual expenses related to storm recovery. The grant application and instructions are available on the [Iowa Department of Human Services website](#). Potential applicants have 45 days from the date of the proclamation to submit a claim.

The Iowa Department of Homeland Security and Emergency Management leads, coordinates and supports homeland security and emergency management functions in order to establish sustainable communities and ensure economic opportunities for Iowa and its citizens.
