

Speaker & Professional title:

Nicole Jarvis, Regional Emergency Transportation Representative Region 7

Speaker Biography:

Nicole Jarvis is a seasoned emergency management (EM) professional currently serving as the Region 7 Federal Emergency Support Function (ESF) 1 representative with the United States Department of Transportation (US DOT). With a background rooted in EM, Nicole has led critical planning initiatives and held key roles, including that of Planning Section Chief, Situation Unit Leader, and Executive Officer.

Her journey began in the United States Air Force as an EM Journeyman, furthering her education with degrees in Emergency and Disaster Management. Throughout her career, Nicole has responded to, planned for, and aided in recovery efforts for various disasters including Superstorm Sandy, Hurricane Irma/Maria, and tornadoes/flooding throughout the Midwest. Since joining US DOT, she supported Maui wildfire recovery, the Typhoon Mawar response, and served as ESF 1 in the NRCC sharing critical transportation information with key stakeholders.

Nicole's dedication, expertise, and leadership make her an invaluable asset in the field of disaster preparedness, response, and recovery.
