

Session Title:

Lessons Learned from January 4, 2024

Speaker(s) & Professional title:

AJ Seely, Dallas County Emergency Manager

Summary:

On January 4th, 2024, Perry High School experienced a tragic school shooting bringing law enforcement and public safety responders from across the region. Seely will discuss preparedness, response and recovery actions from the event and share lessons learned. Note: This session is restricted to current public safety personnel only.
