

**Session Title:**

Federal Highway Administration - Emergency Relief Program (FHWA-ER) vs FEMA-PA

**Speaker(s) & Professional title:**

Brian Pribyl, Iowa Department of Transportation Emergency Manager  
Wm. Scott McLain, Iowa Department of Transportation Emergency Coordinator

**Summary:**

Provide an overview of the FHWA ER Program. This overview is intended to cover basic eligibility through detailed examples of what the program is intended to provide, how the application process occurs, and points of contact. Will provide a contrast of how FHWA ER and FEMA PA can appear to work together as well as potential conflicts and pitfalls between the two and how to avoid delays and reduced funding by improperly leveraging each program.
