**Session Title:**

The Federal ESF-1 Transportation Program

**Speaker(s) & Professional title:**

Nicole Jarvis, Regional Emergency Transportation Representative Region 7

**Summary:**

The Federal ESF-1 Transportation program session will provide an overview of the National Transportation Response and Recovery Program (NTRRP) as managed by the United States Department of Transportation (US DOT). That highlights the role of the regional ESF-1 representative while discussing the responsibilities, capabilities, and requirements of the various modes that comprise US DOT. In addition, we will review lessons learned from recent transportation incidents and ESF-1 activations throughout United States. Closing with a question-and-answer session on the topics discussed.
