

**Session Title:**

Hy-Vee's Disaster Relief Efforts

**Speaker(s) & Professional title:**

Josh Heward, Disaster Relief Specialist

**Summary:**

This session will cover the Hy-Vee Disaster Relief team, who they are and what expertise they have to offer. An overview of the types of equipment available to include how to activate equipment and evaluate the timeframe of activation. Provide a list of items or materials Hy-Vee can provide; hot or box meals, water supplies, and general hygiene products. Lastly, how helping us can help you by talking to your local stores to establish relationships and including them in training and exercises.
