

Hazard Mitigation Grant Program – Direct Management Cost

In accordance with Section 1215 of the Disaster Relief and Recovery Act (DRRA), sub-recipients are eligible for management costs up to 5% of the final eligible project costs.

Management Costs as defined by Section 324(a) Disaster Relief and Recovery Act (DRRA) are “*any indirect cost, any direct administrative cost and any administrative expense associated with a specific project under a major disaster, emergency or disaster preparedness or mitigation activity or measure*”.

All costs must be reasonable, allowable, allocable and necessary are required by 2 CFR part 200 Subpart E, applicable program regulations and HMA Guidance (2015).

Management cost expenditures will be reported quarterly to IHSEMD.

As a sub-recipient we elect to:

Not receive management cost
